

## **Arna Township Planning Commission minutes for April 2, 2025**

The April 2, 2025 Planning Commission meeting was called to order by Bob Brewster, Zoning Administrator, at 6:06 PM. Attending the meeting was board members Walt Hodgeman and Bill Sieberlich. Nobody from the public was there.

The pledge to the flag was done, and then Bob stated that he would keep the meeting minutes since the clerk was not there. Bob read the minutes from the February 25, 2025 meeting. Walt made a motion to accept those minutes as read, and Bill seconded them. All ye.

The 2<sup>nd</sup> version of the draft survey about zoning issues was discussed and accepted as revised. Bob informed the board that it is likely we will be getting a subdivision application from Jeff Cortez, to consider in time for a May 7 meeting (1<sup>st</sup> Wednesday of May), so we could do both that hearing as well as tally the survey results in one meeting. Therefore, a plan to go forward was proposed as follows: to allow one week to get the survey mailed out, allow the public two weeks for consideration of its contents, and one week for the responses to be mailed back, with a deadline of May 5 so stated in the survey. The survey is to be returned to the Zoning Administrator's address. Bob will contact Andy about printing the survey.

No other issues remaining to be discussed, a motion was made by Walt and seconded by Bill to adjourn. All voted ye. The meeting adjourned at 7:00 P.M.

The next scheduled meeting is on May 7, 2025
