

Arna Township Planning Commission April 1, 2026

The Arna Township Zoning Board Meeting was called to order by Zoning Administrator, Bob Brewster at 6:00 P.M. In addition to Bob, the members of the Board attending were Walt, Hodgeman, Bill Sieberlich, and Secretary Cheryl Wickham. Guests: Glen Sladek.

Bob opened the meeting and the Pledge to the flag was recited.

Bob asked if everyone agreed we should put a proposed agenda and minutes for our meetings on the WEB prior to the meeting. All thought this a good idea. The minutes will be posted again after the next meeting if there are any changes made then.

The violation list was discussed and reviewed. Bob said he has been in contact with Bush and Campbell. Landhere needs a Site Permit and a Sewer Permit. Bob has written to him and he has not yet replied. It was voted step by step by the Planning Commission in January to pursue this issue as follows: Page 75 of the Zoning Ordinance- Enforcement Violations - lines 1 thru 7 were all voted yes by each member and line 8 was left open. The next step was to contact Couri.

On March 30, Bob got applications from Landherr, and Bob told Couri to stop action on the Landherr case. Landherr sent in applications for Sewer and Building Permits. His dwelling size was too small per our ordinance, and there were no details about a foundation. Motion made by Bob, 2nd by Bill to approve and accept the sewer permit application and return the site application as incomplete. All yay and motion carried.

Bob passed out a handout for Shorelands to use for information only.

The By Laws – Ordinance #1 dated 1983 was discussed and amended with a motion made from Walt and 2nd by Cheryl and approved by the full Planning Commission Board and will be presented to the Town Board for their approval.

Motion made by Bob and second by Bill to adjourn. The Meeting adjourned at 9:15 P.M.

The next scheduled meeting is July 1, 2026
